

Adoption Council of Canada
Conseil d'adoption du Canada

November is Adoption Month across North America!

(November 3, 2009). The Adoption Council of Canada (ACC) encourages everyone to raise awareness about adoption and there are many ways to go about this:

- Inquire about local special events, workshops, information sessions and seminars in your area relating to adoption.
- Expand your knowledge and understanding of adoption. Read a book and search the internet for pertinent adoption-related information. Share your knowledge with your family and your friends. See the ACC [Suggested Reading List](#) for some great ideas.
- Open a line of communication with someone who has been touched by adoption. Listen and learn about individual and personal experiences.
- Send an editorial to your local newspaper to inform your community about adoption.
- Support efforts to improve policies and legislation that impacts the adoption community.
- **Become a member of the ACC: ACC membership is a great way for you to lend your voice to ours and support the work of the Canadian adoption community.**

NOTE: If you are aware of an adoption-related event in your area, please let us know. You may send your information to info@adoption.ca or info@canadaswaitingkids.ca

Happy Adoption Month from your friends at the ACC!
